Indiana County Public Safety Training Academy

Scheduled Programs – July to December 2025

Local Level, Suppression and Non-Suppression Programs:

All County 1st Responders;

The information on program offerings at the Indiana County Public Safety Academy are intended for you to gain experience and knowledge in basic response techniques and skills. These program offerings are developed and delivered in line with the State Fire Academy “Local Level” course offerings. If there is a program that you would like to have offered, from the State Local Level course listing, please feel free to contact us and we will make every effort to provide that program.

Throughout the fall the Academy continues to offer the State Fire Academy’s “NEW” HAZMAT Programs, along with the Passenger Vehicle Rescue series. Updated Certification testing that align with these programs are also scheduled. Also on during the schedule period, the NEW Rope Rescue series and Confined Space Rescue series, along with Certification are available.

Remember that if you wish to register 17 year olds in the Interior Fire Fighter and Fire Fighter I Certification Testing, the ACT-155 permission slip must be submitted for these students. Permission slips must be provided for participation and can be obtained from our website. These ACT-155 permission slips can be submitted with course registration or provided directly to the lead instructor for the program.

Scheduling of staff and program delivery is based on pre-registration. If the minimum numbers of students needed for a program to be safely run are not met by the course deadline, the program cannot be offered. IT IS IMPORTANT TO GET YOUR REGISTRATION SUBMITTED BY THE DEADLINE, 2-WEEKS PRIOR TO THE CLASS, TO GUARANTEE THAT THE COURSE WILL RUN.

Processing student registration is being handled via email. A PDF fillable and printable application is available on our website. Legibility of your personal email is extremely important as all communications regarding courses will be sent directly to the registered student. Also, course completion certificates will be sent via email, to the student, State law prohibits us from sending certificates to anyone other than the student who obtained it.

Textbooks for each program will be required, similar to the current Essentials program. The Academy maintains an account with Lancaster County Fireman’s Assoc. for procurement of books, we can purchase in bulk and provide the books for you at cost. Textbooks for the HAZMAT Awareness and Operations programs are available for loan from the Academy, thanks to a stockpile provided by PEMA for student use.

It is also imperative that any listed pre-requisite course certificates be provided with student registration forms. If you do not have the pre-requisite courses required to register for a program, a certificate of completion cannot be issued to the student upon completion.

We are hopeful that this information and the new format of the course brochure is helpful. As always, if you have questions regarding any training program, feel free to contact us.

CERTIFICATION “ON-THE-ROAD”:

Some of the PA. Certification programs are available to be delivered “On-The-Road” and can be scheduled for delivery at your fire station. Requirements exist for delivery of these programs, and a 90-days prior notice is required for development of a testing plan and skill station location requirements. You can request an exam for your department by contacting the Indiana County Public Safety Academy at 724-479-0686 or via email at icpsa@indianacounty.org.

CERTIFICATION EXAMINATION APPLICATION INFORMATION

1. Certification Applicants must have a FEMA SID Number and also be registered on the Pa. State Fire Academy's ACADIS system.
2. Each examination has a specific application required for each of these certification tests and in some cases will require proof of prerequisite certifications be attached.
3. PDF Fillable Applications, available on the State Fire Academy's Website, must be completed, printed, signed and original application document submitted to the test site <http://www.osfc.pa.gov>
4. Applications must be submitted by the deadline date, with site fee payments made to I.C.P.S. A.
5. Photo ID, proof of age is required prior to all certification testing.
6. Incomplete applications will be returned for completion prior to the testing date.
7. All certification exam applicants are encouraged to download the Candidate Handbooks for each exam they are making application for. These are available on the State Fire Academy Website.
8. All certification exam applicants are encouraged to download the Skill Sheets for each for each exam they are making application for. These are available on the State Fire Academy Website.

Questions on application requirements should be addressed to Thomas Stutzman, Director, Indiana County Public Safety Training Academy, 85 Haven Dr Indiana PA 15701 or by calling 724-349-9300

IN STATION TRAINING AVAILABILITY

The Indiana County Public Safety Academy, as an Education Training Agency, affiliated with the Pa. State Fire Academy, will provide local level training classes, in your station. To request a program delivery for your department, contact the Academy by phone at 724-479-0686 or via email at icpsa@indianacounty.org. Completion and submission of a "Request for Local Level Course" form can be obtained from our website.

To obtain information on available local level courses, please see the current PSFA Local Level Course list, on the State Fire Academy's website, www.osfc.pa.gov. On the tool bar, hover on the "Sate Fire Academy" at the top and then select "Local Level Training Program".

SITE RENTAL INFORMATION

The Indiana County Public Safety Academy is available for rent to agencies wishing to hold their own in-house training for their members. In order to keep the Academy financially viable, fees are assessed for certain items and for programs sponsored at the site by outside agencies or organizations. The charter member departments, of the Fire Chief's Association of Indiana County, whose dues are in good standing, have free use of the site and will be assessed fees for the cost of consumable goods used. Industrial brigades, response teams, or private sector safety departments, wishing to have courses provided to them, can make arrangements to have custom courses scheduled and presented for their personnel. Additional services, such as catering, are available and can be purchased directly through the Academy.

To reserve use of the site for your agency, complete the "Site Use Form", available at our website icpsa.indianacounty.org and submit to the attention of the Director at 85 Haven Dr, Indiana PA, 15701, or via email to icpsa@indianacounty.org.
